

## **Argument Against Measure WW**

Do not vote to give up your vote! Currently, you have the right to elect the Belmont Treasurer. Keep it!

The Treasurer safeguards the City funds -- that is YOUR money! Do you want the people who spend the money to pick the Treasurer who guards it? We know everybody in Belmont is honest. But, do you get to make your own change at the grocery store? Are banks left unlocked at night in Belmont?

If you do not feel qualified to choose a good Treasurer, you can just ask the City Council members to recommend someone. If you feel it is just your neighbor who is not qualified to choose a good Treasurer, well, remember that your neighbor gets to vote on this and on a whole lot more, too.

Of course, an extra line on the ballot once in a while, does cost a little money. But democracy is not cheap; it is just better.

Keep your right to vote for Belmont Treasurer.
